

Medical Application Manager North America (clinical and service)

OD-OS Inc. is the US subsidiary of the high-tech medical device company OD-OS GmbH, located in Berlin, Germany. We develop and market advanced ophthalmic devices for more effective treatments of ocular diseases. Our international team works closely with ophthalmologists, clinical specialists and other partners to develop and bring to market novel solutions for physicians and patients.

Are you interested to be a part of a highly experienced international team in a fast-growing company with short decision path and have the opportunity of working with a high level of self-responsibility? Do you want to benefit from flexible working hours and basic remuneration combined with the performance-based bonuses?

Your tasks will include

- Organizing and executing product demonstrations and training for Navilas® system on site
- Providing pre-sale and post-sale support
- Product presentation for potential customers
- Installation and dismantling of the system at site
- Service tasks as trouble shooting via remote desktop or on the phone and on-site support
- Close co-operation with sales and service in acquiring new customers and maintaining existing accounts
- Participation in trade fairs and congresses

You should bring the following experiences and skills

- A degree in science or engineering or extensive relevant work history
- 3+ years relevant professional experience in a clinical setting or product management ideally in ophthalmic business
- Basic technical knowledge in ophthalmology and you are familiar with installation and calibration of medical devices
- You like to present medical devices and enjoy interaction with doctors on clinical level
- You are based in Eastern Time zone (max. seven-hours-time-difference to Germany) and you are ready to travel frequently (up to 80%) throughout the US
- Your working method is proactive, independent and at the same time you like working with the team
- You have a work philosophy marked by high quality standards
- You work fluently with Windows, Power Point, network- and communication solutions as well as CRM
- You have excellent communication- and time management skills

Have we aroused your interest?

Then we should get to know each other!

Please send us your resume including salary expectation and earliest possible starting date by e-mail to Jobs@od-os.com
